**Objective**

Hockey Opportunity Camp (HOC) is committed to creating a camp environment free of nuts and visible nut products.

**Applicability**

This policy is applicable to all employees, guests, and associated persons of Hockey Opportunity Camp.

**Policies**

Hockey Opportunity Camp is a Peanut & Nut Safe facility in order to safely welcome people with life-threatening nut and peanut allergies. In order to uphold this level of safety the following rules apply:

- 1) HOC's Kitchen & Tuck Shop do not stock visible nuts/nut products.
- 2) Staff members and campers are not permitted to bring any visible nuts/nut products on-site due to severe camper allergies. This includes personal snacks and treats such as peanut butter, Nutella, bars containing nuts (chocolate/energy, etc), trail mix, and Spitz Sunflower Seeds.
- 3) All camper care packages shall be opened in front of a staff member. Staff are required to confiscate any products found to be containing visible nuts/nut products. These products will be removed from the camp immediately.
- 4) Staff are also required to remove any of these products from campers if they have brought them to camp to ensure the safety of all other campers.
- 5) On multiple occasions, staff and campers are provided with the knowledge that visible nuts/nut products are not to be brought on-site
